Outstanding achievements in the 2016 season

SWING team pilots came in top placings in a number of categories of several rankings:

Dietmar Siglbauer, flying a NYOS (EN-B), finished in 1st place in the Standard class AND ALSO in 1st place in the Overall rankings.

Two other SWING pilots finished in the top ten in the Standard class as well: **Stefan Hennes** (7th) and **Torsten Hahne** (9th) both on the NYOS.

In the Flatland rankings, **Erwin Auer** was once again one of the top placegetters – this year finishing 2nd. **Matthias Wehrle**, our newcomer, finished 4th.

Erwin Auer was once again the winner of the German Cup!

The NYOS performed strongly in the Xcontest.org, with **Dietmar Siglbauer** achieving an excellent 3rd placing in the Standard category (max. EN-B) and a noteworthy 6th placing in the Sport category (max. EN-C).
