## **New prices for our 2-year paraglider check!**

The price for our 2-year paraglider check has remained unchanged for many years. To be able to continue providing professional servicing work, we unfortunately find ourselves forced to increase this price

from Euro 165.00 incl. shipping  
to Euro 189.00 plus shipping.

The price for the X-WING check will increase from Euro 199.00 to Euro 229.00 .

The new prices apply from 1 September 2017.

**Our existing terms continue to apply to paragliders that are delivered to us by 31 August.**

There are certain benefits to having a paraglider inspected directly by SWING:

- the paraglider is inspected with due care by long-standing and experienced staff
- readjustments and small repairs are included in the price
- features specific to a particular model are taken into account

We trust you can appreciate that we have to include the increased costs in our pricing so that we are able to guarantee the quality of our service work.

We would also like to take this opportunity to advise that **our workshop is closed from 14 - 18 August.** We will not be carrying out any checks or repairs during this time, nor dispatching replacement lines.
