Third place in the French championships for Julien Barbier

Julien Barbier, member of the [Powerplay Racing Team](#), was able to repeat his success of 2013 in this year's French paramotor championships.

With his Scorpio 20 he took third place out of 82 participants. Again, Julian showed the high potential of the Scorpio. By making the podium he also secured his participation in the paramotor world championships in Hungary.

We congratulate Julien on this outstanding result and wish him more fun and success with his Scorpio.
